

# The Power of the Word

## Scripture Focus

"For the word of God is alive and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit... it judges the thoughts and attitudes of the heart."

Hebrews 4:12

## Devotional Thought

The Word of God is not just ink on a page—it is alive. It carries the breath of God and the power to change hearts, heal wounds, expose truth, and ignite transformation. Yet too often, we approach the Bible as a task instead of a treasure.

Hebrews reminds us that the Word cuts deep—not to harm, but to heal. It reveals what's hidden, confronts what's broken, and offers the truth that sets us free. Every verse holds purpose. Every chapter, a chance for breakthrough.

The Bible isn't meant to be read out of routine. It's meant to be encountered. It speaks, corrects, guides, comforts, and empowers. Through the Word, we grow in the knowledge of who God is and what He calls us to be.

When you read the Word with a heart ready to receive, you're not just reading—you're being reshaped. It's in those moments that God begins to do a deep work, transforming you from the inside out.

Don't rush through it. Don't read it to check a box. Read it to be changed.

### Prayer

Lord, open my eyes and my heart to Your Word. Let it come alive in me. Teach me, transform me, and guide me daily by Your truth. Give me understanding daily. As I open my heart to the truth of your word, expose things hidden within me taht must change. I want to be transformed and today I open my heart to the transformation yoy give. Amen.

### Reflection Prompt

1. What is one Scripture that has recently challenged or transformed you?
2. How can you approach the Word differently starting today?
